On the night of Feb 9 I'm planning to stay at a hotel near the Ex 3 (CERCLA section 106(e)(7)(A) USC 9604(e)(7)(A)) If I could get dropped off at the hotel, or ride with someone to the airport and catch a hotel shuttle from there, that would be all I need.

Thanks
Scott

Thanks to Jackie for helping with logistics. One more logistics item. I think we have 7 people and 3 cars (Fred, Marcus, and Kent). I'm just checking to make sure we need all three vehicles - and we might. Annette and I are going to Ex 3 (CERCLA section 106(e)(7)(A) USC 9604(e)(7)(A)) at the end of the day Feb 9th. Do we need the two other vehicles to get people to their destinations the evening of Feb 9th?

Thanks,
Kent

All,

Gina informed us that it will probably be 80 degrees and sunny next week in so plan accordingly. Also, for the facilities tour, people should wear solid, closed-toe shoes (they don't need to be steel-toed). Gina is double checking with the facilities, but it is her understanding that any additional PPE will be provided.

Here are some cell phone numbers for people coming on our end:

Fred Hauchman
Kent Thomas
Chris Carusiello
Marcus Aguilar
Scott Deitchman
Annette Guiseppi-Elie

Others can add their phone numbers to this list if they wish.

Meet-up location at 9:30 am on February 9:
